RE: Notification of Subscriber Transfer
CC Docket No. 00-257

Dear Ms. Dortch:

Pursuant to Section 64.1120(e) of the Commission's Rules, 47 C.F.R. § 64.1120(e), this letter provides notification of transfer and/or disconnect of certain Oregon local exchange subscribers of Western Telephone Integrated Communications/CDS Networks, Inc. ("Western") to Qwest Corporation and Qwest Long Distance Corporation, collectively known as Qwest.

A customer notice letter was sent on September 16, 2005 advising former Western customers that Qwest will continue to provide telephone service for a period of 45 days as permitted by the rules of the Oregon Public Utility Commission. Former Western customers must apply for local and and/or long distance service with Qwest or a carrier of their choice within 45 days. Customers who have not entered into a business relationship with Qwest at the end of the 45-day period will have their retail account with Qwest terminated. No customer will be disconnected prior to November 15, 2005.

A sample of the notification letter is attached hereto. Qwest certifies that it has provided advance subscriber notice in accordance with Section 64.1120(e)(3), 47 C.F.R. § 64.1120(e)(3), and that it will comply with the obligations specified in that notice and other statutory and Commission requirements that apply to the streamlined carrier change process.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Diana DeCorte

**WESTERN TELEPHONE HAS CEASED TO PROVIDE
LOCAL AND LONG-DISTANCE TELEPHONE SERVICE IN OREGON;
QWEST WILL CONTINUE YOUR SERVICE**

NAME
ADDRESS
CITY/STATE/ZIP

Dear CUSTOMER NAME:

Western Telephone Integrated Communications/CDS Networks, Inc. ("Western") has ceased to provide local and long-distance telephone service in Oregon. **Your telephone service will continue uninterrupted with Qwest as your provider.***

Important Deadline

You will need to choose Qwest or another provider within 45 days from the date of this letter, or we will be required to disconnect your service.

What You Need to Know

- Our records indicate you are a Western customer. If you are not, please ignore this letter and contact your own service provider to ask how actions taken by Western might affect your service.
- Your local telephone service will continue uninterrupted with Qwest as your provider.
- If you had Western long-distance as well as local service, your long-distance service will continue with Qwest under a similar long-distance plan.
- You will, however, need to apply for both local and long-distance service with Qwest or another provider within 45 days, or we will be required to disconnect your service.
- If you are a customer of a long-distance company other than Western, your long-distance provider will remain unchanged.
- If you asked Western for a preferred carrier freeze on your local and/or long-distance services, those freezes have been lifted in this transfer process. (A preferred carrier freeze protects your choice of service carrier. With a freeze in effect, another company cannot change your service access without your knowledge.)
- If you wish to institute a freeze on any of your new service providers, you will need to inform your new provider of the freeze.
- A list of Qwest rates is attached.

(continued on back)

We Make It Easy

We know you have a choice and appreciate your business. Our goal is to make it easy to establish your new service, whether it is with us or another provider:

•Residential Customers - Call 1 866-283-0046

To apply for service, choose another long-distance carrier, discuss a previous Qwest residential bill, or learn more about Qwest rates, terms and conditions for service.

•Business Customers - Call 1 800-603-6000

Please call to discuss a previous Qwest business bill, apply for business service, choose another business long-distance carrier, or for any other business service questions.

We appreciate the opportunity to continue your service and help you establish your new service as quickly and easily as possible. That's Our Spirit of Service in Action™.

Sincerely,

Director Marketing

P.S. **Please Note:** Depending on your credit history, Qwest may charge you a deposit. If you owe Qwest a previous bill for local telephone service, before we will transfer your account, you must either pay what is owed or make acceptable payment arrangements. Otherwise, you must choose another provider to ensure uninterrupted service.

Qwest does not have any current information regarding how to contact Western or its principals. If you have questions of the Oregon Public Utility Commission, you may reach them at **1 800-522-2404**.

* The Oregon Public Utility Commission ("PUC"), through Oregon Administrative Rule (OAR) 860-032-0020 ("Abandonment of Service"), allows Qwest, at its option, to continue providing service to you for up to forty-five (45) days without you having to apply, OAR 860-032-0020(13). You will keep the same telephone number. Also to the extent possible, you will keep the same services and features that you had with Western Telephone Integrated, except they will be provided under Qwest terms, conditions and rates.
